Committee Explanations

WORSHIP

The Worship Committee is made up of people who prepare and participate in the weekly Mass. Some members prepare the altar while others participate in the readings. If you enjoy being involved in the church building or mass, this would be an excellent place to begin.

SPIRITUAL LIFE

The Spiritual Life committee is made up of members that reach out to parishioners outside of mass. Through education and spiritual sharing, members and their students learn about God.

MAINTENANCE

For the Handy People of our parish – this committee is for you! If you enjoy working with your hands, and have a talent for it – join us! We take care of the grounds, the parish center, and the church. We could use a wide range of expertise.

PARISH COUNCIL

If you enjoy being part of the decision-making process, here is where you belong. The folks who meet on this committee meet monthly to make sure that all of the parish committees are working towards our goal of discipleship.

CHRISTIAN SERVICE

These caring people work to raise funds to help those outside our parish. This is done through various collections, donations, and sales. If you find joy in helping the homeless of our community or reaching out to our sister parish in Haiti, please sign up to help with the Christian Service committee.

PARISH LIFE

These people meet to have fun!! They plan the parties, make sure everyone is taken care of, and welcome each and every one of us to join Sacred Heart. Join this committee if you are good at planning special events – and don't mind pitching in to make sure everything is ready!

MUSIC MINISTRY

The music at each mass is as diverse as those who attend. If you like to sing your praises to God, or your musical talent lies in playing an instrument, sign up for Music Ministry. We believe one of our choirs will need you!

BEREAVEMENT

Part of our work is in comforting those who mourn. If you are able to share God's wisdom during a family's need for help, please join others on the bereavement committee. This work is much needed and very satisfying to those who serve.
